A Bitwala Customer may participate in the Refer a Friend Program by submitting the personal referral code that they receive from us ("**Referral Code**") to friends and acquaintances ("**Invited Person**"). In addition, Bitwala Customers are not permitted to publicly distribute the Referral Code on websites, in particular blogs and voucher websites, which are primarily used to earn bonuses. In addition, Bitwala Customers are prohibited from sending bulk e-mails, short messages or messages to people they do not know, or using automated systems or bots to distribute the Referral Code.

The Bitwala Customer will receive a bonus if the Invited Person has opened a Bitwala Account through the Bitwala Online Media and set up a customer wallet, has met all requirements to open a Bitwala Account set forth in our current Terms of Service, and has used the Referral Code in doing so.
